REWRITE BONDS - INSTRUCTIONS
When the bond is a rewrite of previously executed bond(s), use a multiple line entry for the transaction as follows: Enter "s" in rewrite symbol column on the first line and complete that line in the normal manner. Enter the No. of the original bond in the defendants name field on the line immediately below the entery under [1]. I.E. the second line adn leave the remaining fields on that line blank. Where more than one original bond, use as many additional lines as required.

**COLLATERAL INSTRUCTION
Under the column, please indicate by use of following symbol:
N - None
I - Indemnitor
C - Cash (Indicate amt. in column)
P - Property
O - Other
